

Soft and sinuous curves, but with dramatic overtones. A pleasing & original modern range that's functional above all else.
Elegant, compact, and graceful - the 25mm cartridge makes it possible.

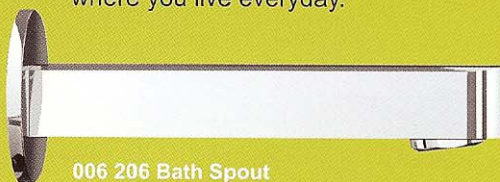

harmonious proportions make it all possible

for you to take full advantage of every occasion for a designer touch.

10 year warranty - European made and design

Ergonomic accessories also echo the simple clean lines and capture the true spirit behind the design; better living that makes it more enjoyable to spend time in the places where you live everyday.
